Start the NEW YEAR with SAVINGS at

Now's the time to make all those noble resolutions to live by during 1958. The one that probably heads most people's resolution list is, "I resolve to save money during the year." We know that saving money these days is not the easiest thing in the world to do — unless you shop at Food Giant Markets. You can save more money by accident at a fabulous F.G. than you can save on purpose at most other places. Food Giant Markets sell more groceries to more people than any other grocery store in your community. The more we sell the cheaper we can sell. It's simple arithmetic. So if you want to make a resolution that you won't have to break just resolve to shop at F.G.
